

# AUX

## AIR CONDITIONER

AFFORDABLE **LUXURY**

Enjoying Life Starts From Enjoying Temperature

Model:

# EE

### Super-quiet running>>>

By adopting isolation, damper silencer, voice-quality test and other testing methods, AUX A/C effectively reduces the noise of indoor and outdoor.

### Advanced raw material guarantee excellent quality>>>

We adopt hydrophilic aluminium fin, inner grooved copper tube and ABS imported original plastic material, to improve the efficiency of heat exchanging widely and make the performance better.

### Unique double mute technology>>>

On the latest aerodynamic technology research and digital simulation system, Danish hi-fi noise checking device, the amount of wind .BAVARIA achieves greater wind, lower Noise design, noise quality achieves qualitative upgrading noise.

### Healthy two-way wind flowing pattern>>>

Cooling mode: the cool wind is flowed out horizontally, and then go down naturally, starting the cooling from the head; Heating mode: the warm wind is flowed out downward, and then go up naturally, starting the heating from the foot; Two-way wind flowing can avoid the uncomfortableness of cold air below and hot air upper.

Type		ASW-H09A4/EER1	ASW-H12A4/EER1	ASW-H18B4/EER1	ASW-H24B4/EER1
Rating cooling/heating capacity(Btu)		9000/9400	12000/13100	18000/18800	24000/25000
Rating cooling/heating power(W)		820/763	1096/1075	1644/1719	2255/2337
